For how many years have you been a Los Angeles resident? _____

Please answer the following questions on a separate sheet (no more than one paragraph for each):

- ◆ Please provide a brief history of your artistic career. Do not just tell us what we can see on your resume. Give us the story of how you got to this point: what was in your plans, what was not, what doors opened, what doors closed, any epiphanies, revelations, challenges, setbacks, etc. All in one paragraph.
- ◆ How would you describe your style of work? Tell us who your influences are and how they have affected your work. Please be as descriptive as possible, using at least one concrete example of your own work.
- ◆ What are you trying to accomplish with your work?
- ◆ What are your long-term artistic ambitions?
- ◆ If you receive this award you will be given \$10,000: \$5,000 to use at your discretion, and \$5,000 to be used towards a working relationship with CTG. What type of partnership do you envision you will have with CTG, and how will the funds allocated to you be used in conjunction with that relationship? **(Due to the expense, producing a show on one of Center Theatre Group's stages is not an option for this partnership.)**
