Full Season Package Top Priority Seating

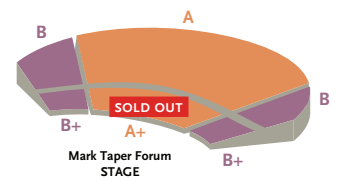

Buying the full season at any (or all!) of our three theatres is the best way to guarantee the best seats.

We lock in the same seat location for every performance. And we guarantee you those seats this season and give you opportunities for upgrades next season. Plus, you can bask in the luxury of free ticket exchange, advance ticket buying for friends and pre-sale ticket opportunities for special events.

Passport Membership

See ALL THE SHOWS WHEN YOU WANT and SAVE UP TO 50%!

The CTG Passport is an incredible deal for theatre lovers who want extra flexibility in their schedule. All you do is purchase an Annual Passport — which is like a flex pass — for \$100.

Throughout the year, you can then buy tickets to individual performances based on your schedule (and ticket availability, of course). You'll be amazed how quickly it pays for itself, since you can buy 1 or 2 tickets to **every production** at the Ahmanson, Taper and Douglas for **up to 50% off full price tickets!**

Oh sure, there are a few restrictions (the lowest discounted price is \$20 per ticket, and you won't get front orchestra seats at the Ahmanson* or A+/B+ at the Taper), but you will see a lot of great theatre for not a lot of money. AND you'll still get groovy member benefits like free ticket exchange.

*Some restrictions apply. Tickets based on availability. Call 213.972.4444 or visit CenterTheatreGroup.org/Passport for additional details.
